Niczego w życiu nie należy się bać,
należy to tylko zrozumieć.

Maria Skłodowska-Curie

Weisheit von Marie Skłodowska-Curie:

"Man soll sich im Leben vor nichts fürchten, man muss es nur verstehen."
(Eine Erinnerung daran, dass Wissen Angst überwindet.)

Nic piękniejszego nad niebo, które
przecież ogarnia wszystko, co piękne.

Mikołaj Kopernik

"Nichts ist schöner als der Himmel, der doch alles umfasst, was schön ist."
- Nikolaus Kopernikus
